

These sheets include English cues to all of the 174 kanji in the first Yookoso! book. The numbers indicate the chapter and kanji number for your reference. These sheets are intended to help you practice reproducing the characters (correct stroke order, etc.). They are not recommended for learning the kanjis' meanings! The order is randomized to help prevent cueing from associated kanji.

3   23		5   6		5   3	
water, Wednesday		child		family, tribe	
1   3		2   16		4   13
